

PRIVACY POLICY

The entire content of this website is for entertainment purposes only. By entering this site you are agreeing to be bound by the terms and conditions available on the website link. Entrance to site is expressly on these conditions which embodies all of the understandings and obligations between the parties hereto. The website "rotaxjetting.com" is owned and operated by Synibex International Limited.

Jet-Tech Motorsport LTD is fully committed to respecting the privacy of its customers. Your privacy and trust is important to us and our success as a business. How we collect, store, and use the information we gather about our customers and prospective customers will be continually assessed against new technologies, business practices, the law and our customers' requirements.

Information we collect

There are two types of information gathered on our Web sites. Quantitative data, which is gathered through general Web logs, contains only aggregate information on what pages visitors' access. Individual data is collected via Web forms, including our enquiry support request and upgrade request forms, online shopping forms, newsletter subscription requests, email communications and telephone calls.

Uses of the information we collect

Individual information submitted via Web forms, email communications and telephone calls, is collected for the purpose of fulfilling information requests. Users may request not to receive marketing email or post at any time by contacting Jet-Tech Motorsport LTD via rotaxjetting.com at info @ rotaxjetting.com Jet-Tech Motorsport LTD does not share personal customer information with any third parties without their consent.

Cookies

rotaxjetting.com uses cookies only for customers who have specifically signed up for our services, made information requests or are using our online shopping facility. The cookies are used solely for the purpose of identifying that customer and to provide secure access to their service-specific data. We endeavour to protect the information that you provide when using this website. For your peace of mind when using our on-line shop, we use the specialist transaction processing facilities of PayPal, one of the worlds leading and most trusted payment service providers. If you access the card-payment pages of this website, you will in fact be connected to PayPal's secure facility. Your browser will be provided with an electronic certificate confirming that you have accessed the correct site and all communications will be encrypted until the payment processing has been completed. Neither Jet-Tech Motorsport Limited, rotaxjetting.com or Synibex International Limited receive or are privy to any financial information and/or credit/debit card details belonging to the customer.

Servers

Firewalls and various security measures are used to block unauthorised traffic to the servers, which are located in secure locations that can only be accessed by authorised personnel. The server/s that is/are hosting this website is/are also located in a purpose-built secure facility which can only be accessed by authorised personnel.

External Web site links

Jet-Tech Motorsport LTD and/or Synibex International Limited is not responsible for the content or the privacy policies of Web sites to which it may provide website links, or the websites of its advertisers.
